

Interviewee Q&A Preparation Worksheet

At an interview, your interviewer(s) could ask you about:

- you
- your current job
- your previous jobs
- your experience
- your skills
- your qualifications
- your achievements
- your hobbies
- your ambitions
- the job/role
- the company with whom the job is
- the business sector in which the company operates
- questions that occur to you once you have done your research (as part of **Understanding** what you are applying for)
- and lots more

Use the table below to document the questions you could be asked, the answers you might give and what evidence and examples you could use to support your answers.
